Description

A 4 bedroom detached property rarely available to the market. This hidden gem is uniquely positioned within a quiet and relatively unknown lane, and has been in the same ownership for over 50 years as a much loved family home, ready for the next lucky owner to add their mark.

The property could benefit from updating in places, but there is also plenty of scope subject to planning to extend or amend.

The imposing property is entered via its own double gated horse shoe driveway, where there is ample parking for numerous cars and a double garage.

The property consists of: Entrance hallway where all rooms lead from and with space for coats and shoes and a downstairs cloakroom. The spacious main dual aspect reception room benefits from an open fireplace and French doors that open out to the beautiful private garden. From the reception room there is also a separate study.

The modern kitchen has ample eye and waist level storage, integrated washing machine and a half stable door to the garden, The dual aspect dining room could easily be opened up to combine the kitchen and create a fabulous sociable kitchen/diner if preferred.

Upstairs there are four good size bedrooms and a family bathroom. The master bedroom boasts built in wardrobes and ensuite bathroom.

Outside

The enclosed wrap around garden which is laid mainly to lawn, caters for the sun worshippers and also those who are not, with various areas of the garden for sun or shade, plus an inviting heated swimming pool to entertain family and friends during the summer months, The garden is enclosed with mature hedging and trees for added privacy.

The double garage can be accessed via the garden or the front of the house, has a separate storage area and power and lights.
