This is a rare opportunity within Harleyford to secure a spacious detached lodge with three bedrooms, private entrance gate and pretty much your own garden. The property has been well maintained by the current owner including a recently refitted kitchen and offers generous sized rooms throughout. Stepping up onto the verandah you have plenty of space to put your outside furniture and enjoy lots of alfresco dining looking out over the well maintained gardens. On entering the property there is a spacious hallway offering access to living room, family bathroom and all the bedrooms. On the right there is a large living room with doors to the verandah and windows to the rear and side. Off the living room there is superb refitted kitchen with integral white goods, work surfaces, induction hob and oven, there is an integral fridge freezer and extractor fan. Moving along the hallway there is a double bedroom to the left, family bathroom on the right and as you move further along there is a nice sized single room. At the end of the hallway is a delightful master bedroom with doors leading to the verandah and door through to the en suite.

Outside the property benefits from a secluded garden which although is not owned by the vendor, has pretty much sole use. There is a private gated access from the car park and the river is only a stones throw away.

Harleyford Estate is not only in a designated area of outstanding natural beauty, but also an English Heritage site. Originally designed by Sir Robert Taylor in the late 1740's, the Grade II Georgian Manor House sits in the centre of this private Estate. Providing a tranquil setting, there is access to the Thames path and delightful walks across the Chiltern countryside. Within the Estate is an 18 hole private members Golf Club with clubhouse and dining facilities as well as an award winning marina.

The charming historic town of Marlow is a few minutes drive with its excellent selection of shops, schools, bars and restaurants. Links to the city can be found via the A404 to M4 junction 8/9 or M40 at junction 4 or by rail from Marlow or Henley to London Paddington. Heathrow airport is about 30 miles away.
