Description

Where do we begin with this fantastic opportunity to secure a unique family home situated within approximately 1.25 acres of grounds and private woodland.

The property itself is a bespoke designed four bedroom detached chalet style house and sits in an elevated position in the heart of Marlow Bottom Village.

On entering the property you will be greeted by a lovely dining kitchen which leads through to a living room with stunning views to the front aspect, log burner and doors through to another entrance lobby which leads through to the two ground floor bedrooms and shower room.

Moving up to the first floor there are two further bedrooms (the rear with balcony overlooking the woodland) and a family bathroom as well as a large store room, again the views are incredible.

Outside

Moving to the outside there is a large detached garage with maintenance pit, a further car port and ample driveway parking for multiple vehicles. To add to this there is a lovely summer House and a viewing patio at the front of the property. Moving to the rear the grounds are quite stunning with a lovely lawned area which wraps around the property itself, you then head off into the private woodland where all the wildlife and nature can be enjoyed all year around.
