Location

Saunderton lies approximately 4 miles equidistant between High Wycombe and Princes Risborough, within the catchment area of the highly regarded primary schools at Bledlow Ridge and Walters Ash where there is also a Co-Op store. Within the village are two public houses whilst more extensive shopping and other facilities are available in the nearby towns.

Saunderton station provides a fast and efficient rail link with London Marylebone(35 minutes) and the midlands whilst M40(J4) is within 5 miles.

Description

The property can be entered via its own horseshoe driveway providing plenty of parking for family and guests. The formal main entrance to the house opens into the spacious hallway where all rooms lead from, with two useful walk in closets for coats, shoes and other storage options.

The dual aspect kitchen/family room is the real heart of the home, a perfect space to entertain friends or simply for the family to gather at the end of a busy day, with French doors to the garden and under floor heating. The well appointed kitchen has ample built in storage, a sociable middle island, granite work tops, range cooker and a walk in larder. From the kitchen is a separate utility room, with further storage, space for white goods, WC and door to the garden, making this the obvious entrance for mucky dogs and children.

From the hallway the property boasts a cinema room with open fireplace and formal dual aspect reception room with wood burner stove and two sets of French doors opening into the garden. There is also a dual aspect home office with an open fireplace. In addition there are two further downstairs WC's and another set of French doors to the garden.

Upstairs

There are five double bedrooms with the dual aspect master bedroom boasting countryside views from both aspects, dressing area with fitted wardrobes and ensuite bathroom with bath and separate shower. There are also two modern family bathrooms to serve the other bedrooms.

Outside

The south facing of approximately 1 acre, is currently a blank canvas with mature trees and hedging but making the most of the surrounding views, ready for the next owner to add their own design. There is also modern out building with drive through doors, lights and power, that could serve many uses. Planning permission has been granted to remove the old garage and replace with a new double garage.

Other notable features include: oil central heating, double glazing throughout, and private sewerage that is exempt from current regulations.
