A Substantial Detached Family Home with Exceptional Gardens & Countryside Views. A rare and exciting opportunity to acquire a substantial four-bedroom detached family home, discreetly positioned within an exceptionally large plot of over 300 feet.

Originally constructed in the 1950s as a detached chalet-style bungalow, the property has been thoughtfully extended over the years to create a generously proportioned two-storey family residence. Set back from the road and approached via its own private driveway, the property enjoys an enviable degree of privacy and offers tremendous scope for further enhancement and the creation of a truly individual dream home.

The property is approached via a private driveway, discreetly screened by mature shrubs and established trees. Steps lead to the front entrance, opening into a welcoming entrance hall which provides access to the principal living accommodation.

The generous living room provides a comfortable central reception space, with a conservatory beyond, creating an attractive connection with the extensive gardens and providing an ideal setting from which to enjoy the property's peaceful surroundings.

A further door from the living room leads into an additional reception room or study, offering excellent flexibility for those requiring a home office, snug, playroom or additional entertaining space.

Situated towards the front of the property is a substantial dining room, ideally suited to both everyday family life and larger-scale entertaining. The ground floor is completed by a cloakroom/shower room and a well-proportioned kitchen, providing a practical foundation for future modernisation and personalisation.

To the first floor are four bedrooms, together with a family bathroom, providing ample accommodation for a growing family or those seeking additional space for guests and home working.

Predominantly laid to lawn and complemented by a variety of mature trees, established shrubs and planting, the gardens provide an impressive private setting with an abundance of potential for landscaping, recreation and outdoor entertaining. A substantial patio terrace immediately adjoining the property provides the perfect setting for al fresco dining, whilst the considerable depth of the garden creates an exceptional sense of space and privacy.
